

**Joslin 6th - 8th Middle School Supply List
2017-2018**

Dear Students, Parents, and Guardians,

We are so excited to have you at Perspectives this year! Because we want all of you to achieve academic and personal success, we made a list of items that will help with this process. In order for you to stay organized throughout the year, your team of teachers is requiring that you come with the designated colors assigned to each subject. **So, purchase the specified colors and items listed below.**

You may purchase additional supplies, but these are what you must come prepared with on the first day of school. If you have any questions or concerns, please do not hesitate to contact us at the e-mail addresses below.
