

Tech Remote Learning Plan

During the school closure, Perspectives' goal is to provide students with remote learning opportunities to help minimize instructional loss, provide students with routines and structures to help stay engaged and connected, and ensure that students are healthy. Perspectives Leadership Campus will meet these goals by implementing the plan below.

This document summarizes our plan by telling you:

- 1) The minimum amount of time your student should spend in structured academic activity.
- 2) How we will communicate with you and when learning materials will be posted.
- 3) What key learning platforms your student will use.
- 4) How your student can access their teacher, and when they should expect feedback on work submitted.
- 5) How your student can access learning materials if you don't have easy access to a computer.
- 6) How we will communicate with you as a school, along with how your student can get support during the school day if they are stuck on an assignment.

Non-Digital Remote Learning Plan

Bi-weekly Activity Packets for all Content Areas: Available for pick-up at the school Monday-Friday 9-1

We are creating two-week packets filled with engagement activities for your students to complete throughout the closure. Packets can be picked up at the main entrance lobby near the lunch pick-up Monday-Friday from 9-1pm. Please call teachers for office hours and help/feedback on the work. Please hold on to the packets until we return to school, or scan/take pictures of completed work and submit to teachers' email address.

School Communication Plan

School Email: An attendance link will be sent daily, as well as communication links to reach out to staff.

Parent Email/Weekly: This email will include Important updates regarding school closures, contact information for all staff, as well as responses to frequently asked questions, and a link to do staff/student shout-outs.

School Day Student Support Plan

Digital Office Hours: We will have a staff member available on Google Meet during all hours of the school day 8 a.m. to 3 p.m.. Students (using their PCS email addresses) or parents can join the link or call-in number to ask any questions they have for school staff.

Non-Digital Office Hours: 773-358-6102 We will have a staff member available by phone during all hours of the school day 8 to 3 p.m.. Students or Parents can call this number to ask any questions they have for school staff.

Tech Remote Learning Plan

9th Grade	Weekly Minutes Goal	Learning Materials Communication Tool	Learning Platforms*	Teacher- Student Communication Plan
9th-Literacy - Composition & Literature	400 Minutes	Tool: Google Classroom Posting Frequency: Mondays Lessons completed by: Following Sunday, 4:00 p.m.	All subjects, including math and ELA: Google Classroom Math: Imagine Math - 60 minutes per week, or 1 lesson passed per week. ELA: iXL - 60 minutes per week, 2 lessons proficiency/1 mastery per week.
